

Meek Mill and Future are hitting the road this summer, and they're bringing along some talented guests for the ride with a stop at Jones Beach on Wed, Sept 11: <http://MEEKMILL.jonesbeach.com>

The pair are reportedly gearing up to co-headline the Legendary Nights Tour joining the rappers: YG, DJ Mustard, and Houston's Megan Thee Stallion. Meek released his latest LP Championships in November 2018. This year, Future has shared Future Hndrxx Presents: The WIZRD and his Save Me EP. Also in 2019, YG has dropped 4REAL 4REAL and Megan Thee Stallion has shared her project Fever.
